# GeoCelebration Manitoba 2019

Friday, November 15, 2019

Celebrating the career of Dr. Jim Graham

Join CGS Manitoba as they celebrate Dr. Jim Graham and his profound impact upon the geotechnical engineering community in Manitoba and across Canada and the world.

Dr. James (Jim) Graham holds PhD and DSc degrees from Queen's University, Belfast, N.Ireland. He is currently Professor Emeritus, in the Civil Engineering Department, University of Manitoba. He is a Fellow of the Engineering Institute of Canada, and a Life Member of the Association of Professional Engineers and Geoscientists of Manitoba (APEGM). He has been Scientific Editor of the Canadian Geotechnical Journal, and President and Secretary General of the Canadian Geotechnical Society (CGS). Dr. Graham has received the Stirling and K.Y. Lo Medals from the Engineering Institute of Canada, the Medal

for Engineering Education from the Canadian Council of Professional Engineers, the Award of Merit from APEGM, the Saunderson Award for Excellence in Teaching from the University of Manitoba, and the R.F. Legget Medal and A.G. Stermac Awards in 1989 and 2008 from the CGS. He delivered the CGS R.M. Hardy Address in 2003. He has published over 200 articles on a wide range of topics in geotechnical engineering and has been a specialist consultant for local geotechnical companies and AECL.

The Metropolitan  
Entertainment Centre
