

24th ANNUAL CGS GOLF TOURNAMENT

The 24th Annual Canadian Geotechnical Society (CGS) Golf Tournament will be held on **Thursday, May 28th, 2026** at Kingswood Golf & Country Club in La Salle. This event attracts a broad spectrum of participants from within the local geotechnical and environmental engineering community. The goals of this annual tournament are to provide an afternoon of fun and relaxation away from work, provide participants with supper and prizes and, most importantly, raise money for the **Neil Burgess Memorial Scholarship Fund**. The Neil Burgess Memorial Scholarship is presented annually to a geotechnical engineering graduate student at the University of Manitoba. The annual scholarship amount is approximately \$6,500 and growing each year, based on the success of previous fundraising events.

The tournament organizing committee is **seeking sponsorship of \$400** for this event in the form of hole sponsorship and **\$1,000 for supper sponsorship**. Any prize donations are also welcome. Hole sponsors will be recognized by displaying their company name and logo at the tee box of the sponsored hole. Supper sponsors will be recognized in the same manner at the Clubhouse. All sponsors will be acknowledged during the presentation of prizes.
