

CGS MANITOBA

Summer Social 2026

The Canadian Geotechnical Society (CGS) Manitoba Section is excited to host a **summer social event** bringing **together** professionals to **connect**, network, and **celebrate** our geotechnical community.

We'll also take time to recognize Dr. Rob Kenyon as he celebrates his retirement after more than 35 years of outstanding contributions to the profession. Rob will give a **special presentation** on "Three Decades of Emergency Flood Engineering".
